MOMS N TOTS

Welcome to the Naperville Newcomers & Neighbors Club's Moms & Tots page! We are a group of moms who meet weekly for playgroups & share parenting information relevant to the Naperville area. We hope this page helps answer your questions about who we are & how to join!

How do the playgroups work?

We have several playgroups that meet at different times throughout the week. We take turns hosting either by arranging an activity in the community or hosting at one's home. Members are encouraged to explore different playgroups before finally "joining" one (or more) and becoming part of the regular hosting rotation.

Many of our playgroups schedule monthly Moms' Nights Out in addition to other activities beyond the weekly playgroups.

Our playgroups fill up from time to time, but we often have openings in the summer & fall, and we are always open to starting a new playgroup!

How do you communicate & share information?

Our primary means of communication is a Yahoo! list serve which we use for various things. Members receive a weekly email from the coordinator with the upcoming hosting schedule, items of note, and family-related events for the upcoming week.

Members can also post questions or information to the rest of the group including referrals for area businesses, preschools, and attractions; items for sale or items wanted; and upcoming events others might not want to miss.

How can I become a member?

To join our group, you need to be a member of the NNNC and register through our list serve at
